The mission of Mohawk Valley Perinatal Network is to improve birth outcomes and maternal, child and family health, facilitate collaboration among providers and community organizations and advocate for change.

Funded by NYS Department of Health, Division of Family Health and Office of Health Insurance Programs.

Working with health and human service professionals, individuals and families to improve the overall health of communities in the Mohawk Valley.

Mohawk Valley Perinatal Network, Inc. is a not-for-profit organization that has been serving the Mohawk Valley since 1996.

We work with health and human service professionals, individuals and families to improve the overall health of communities in the Mohawk Valley.

Our mission is to improve birth outcomes and maternal, child and family health, facilitate collaboration among providers and community organizations and advocate for change.

We accomplish this by assessing community needs, educating health and human service providers, sharing perinatal data, educating and referring consumers, providing facilitated enrollment services, and encouraging healthy behaviors and increased use of health insurance programs.

We are dedicated to improving birth outcomes for all women and their families, and particularly women facing difficult challenges.
