Promoting Healthy Births and Healthy Families

![Medicaid logo]

- Medicaid is a program for people who can't afford to pay for medical care

- You must meet income guidelines

- Helps you with high medical bills

- Available when you receive Supplemental Security Income (SSI)

![family health plus logo]

- New York State's health insurance program for adults aged 19 to 64

- For people who have income too high to qualify for Medicaid and meet income guidelines

- Available to single adults, couples without children, and parents who live in New York State and are United States citizens or fall under one of many immigrant categories

![Child Health Plus logo]

- New York State's health insurance program for all children under age 19

- Offers coverage for most of your child's health care needs

- Depending on your income and family size the coverage may be free or you may have a monthly cost

Medicaid Prenatal Services/MOMS

- For women and teens who live in New York State who are pregnant

- Must meet certain income guidelines

- Can receive complete medical care during pregnancy, delivery and for at least 60 days after delivery

- Can receive health insurance for your baby for the first year

- You may be eligible even if you have health insurance

- All of your pregnancy care is confidential

Recertification

Mohawk Valley Perinatal Network enrollers are here to help families and individuals re-apply for Medicaid, Family Health Plus and Child Health Plus too. You can call us with a question or make an appointment so we can fill out the application for you.

Facilitated Enrollment

- A program that helps New York State residents learn about and apply for health insurance

- Enrollers will check to see if you qualify for New York State's health insurance programs

- Enrollers will help you complete the application at convenient community sites

- Enrollers send the completed application to the right agency

What services will I receive with Medicaid, Family Health Plus or Child Health Plus?

- inpatient hospitalization
- emergency care/out patient care
